

UPDATED INFORMATIVE DIGEST

There are no immediately preceding laws or regulations directly related to this proposed rulemaking action and its effect.

After the 45-day public comment period, several modifications were made to the originally proposed text. All modifications made were sufficiently related to the original text so that the public was adequately placed on notice that these changes could result, as required by Government Code section 11346.8(c). Notice was provided for a subsequent 15-day public comment period regarding these changes. A detailed description of the text modifications is set forth in the Department's Updated Final Statement of Reasons.

After the first 15-day public comment period, several further modifications were made to the originally proposed text. All modifications made were sufficiently related to the original text so that the public was adequately placed on notice that these changes could result, as required by Government Code section 11346.8(c). Notice was provided for a second 15-day public comment period regarding these changes. A detailed description of the further modifications to the text is set forth in the Department's Updated Final Statement of Reasons.
